

GOOGLE SECURITY INCIDENT REPORT

22 November 2025

URGENT PLEASE READ

Our data center recently experienced a security breach, and we are reaching out to you as part of our precautionary communication process. While the investigation is still ongoing, we believe it is important to notify you immediately so that you can take the necessary steps to protect your account.

At this time, we strongly advise you to **back up your Gmail account data and change your account password as soon as possible**. Taking these actions will help safeguard your information and ensure that your account remains secure while we continue to assess the extent of the incident.

Your security is our highest priority, and we are working diligently to restore full system integrity. We appreciate your prompt attention to this matter. Please perform the recommended steps here:
